

Deopham Charity of the Rev Henry Rix & The Poor's Allotment Charity

Annual Report for Deopham & Hackford Parish Council May 2024

A quiet year for the charities as a whole.

After the pavilion revamp to the south of the building, it is hoped that we can continue with additional cladding to the remainder of the external shell. Funds will dictate the schedule for this.

Whilst the play park was being installed, the pavilion was used as workman's rest room and storage.

A woodland grant was received and families planted trees on the field, which they will be looking after.

The provision of fuel money was given to parishioner's who had applied or who had been nominated.

The trustees continue to maintain the correct procedures for the charities, and have completed and finalised the Barclays KYC refresh audit.
